From the Desk of Ms. Soriano

Greetings preschool families! What a beautiful time of the year it is. I am grateful for the sunshine, fresh air and the harmony of our children playing and learning together! We've spent the last couple weeks learning about our big beautiful planet, how to care, nurture and preserve it. We've learned about growing things, eggs and even about the resurrection of Jesus Christ! We've had a busy schedule over the last couple of months and I am delighted that some of the busyness is coming to an end and we are able to relax and enjoy the children. Open House was a great evening and your children worked incredibly hard on their special projects and gleamed with envy at their work. Our BHCP gals rocked the event and beautifully displayed the children's master-

pieces! Many thanks to you for being a part of it and helping out in so many ways. Over the last month, I have been busy with open registration and welcomed 55 new families to our preschool. Registration is nearly complete with only 6 spots in the pm left! Thanks Be to GOD! Schedules for the summer session will be posted mid-June and Fall schedules will be mailed home as usual. If you have any questions regarding placement or time slots, please feel free to see me, otherwise it is safe to assume the days you registered for are the days your child will attend. Also, be sure to pick up a registration packet in the office for any new siblings that will be joining us. With one maternity leave underway, we still have two more teachers who will take their leaves this summer.

I will keep you informed of changes in staff as necessary. As you many of you read in the email blast, Ms. Wendie's last day at the preschool Friday, April 30. She will be staying home to care for her mother and her family and we wish her all the best. This month we celebrate the anniversary of two very special teachers. Mrs. Gutic is celebrating her 14th year with BHCP and Ms. Lizzy, celebrating her 10th. Please be sure to congratulate these lovely ladies, as their commitment to our preschool is invaluable! A great big thanks to Ms. Kerry, John Wright and the preschool families that pitched in and brought our fruit and veggie garden to life! What a wonderful community we have here at BHCP! Kudos to you all, have a wonderful month!

Parent Says:

1. This is a little hard, but I think you can do it.
2. This time it didn't work, but maybe you can try again.
It doesn't mean you're not smart just because something doesn't work right.
I've seen you do a lot of other things that turn out great!
3. Just because you did something wrong doesn't mean you are bad. Just try to make a better choice next time.
4. Kids are all different. Let's just have some fun with this and next time we'll do one of the things you do best!
5. Your turn matters and you matter. We'll wait for you!
